Remember to delete or hide this layer.

## Trim

Your job will be cut on the solid black line, any images or text placed beyond this area will be trimmed off.

## Bleed Area

Anything here will be trimmed off, but remember to let background colours and images flow through and to the end of this area to ensure you don't have white borders.

## Safe Area

Keep all your information inside the white area. But let background colours and images go beyond this so you don't have white borders
